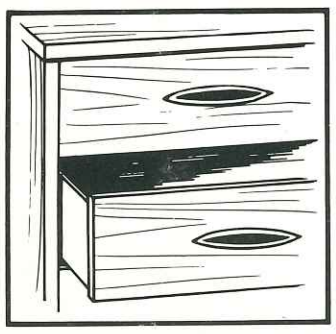
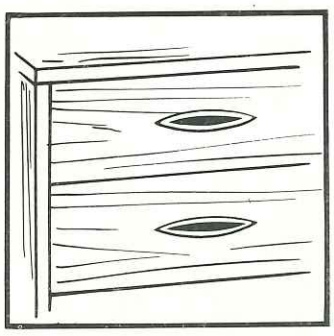
All drawer sides and backs are made of genuine hardwoods. Drawer bottoms are veneered with mahogany. Drawer interiors are carefully sanded, lacquered, and waxed for smoothness. Dovetailed jointing insures long lasting durability.

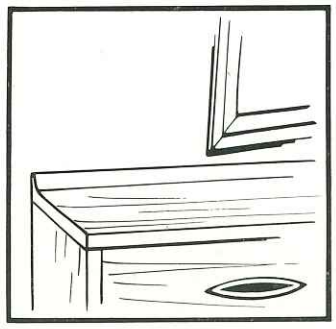


Custom design drawer pulls complement both style and finish.

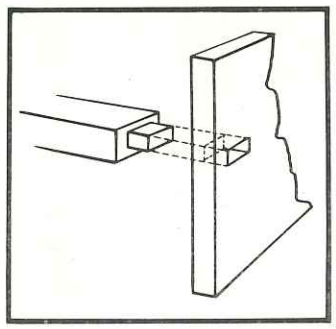


In Broyhill Premier you will find the worthiness of woods with character, and a distinctive, enduring hand-bleached finish brought together with Broyhill Premier's special quality standards. All case pieces are fully dustproof. Drawers are of dovetail construction, center-guided to glide at a touch. The rich, selected walnut veneers are BROYBONDED. Mirrors and glass are lensclear.

Created and designed especially for Broyhill Premier by some of America's foremost color stylists. The new rich Broyhill Premier is applied on wood carefully selected for grain character, then hand-bleached to bring out all the beauty of the wood. The finish is then hand-blended by highly skilled craftsmen to give depth and softness of color. It is hand-rubbed and waxed to a rich patina- a finish with all the beauty of the ages brought into your home through the ingenuity of Broyhill skilled craftsmen.

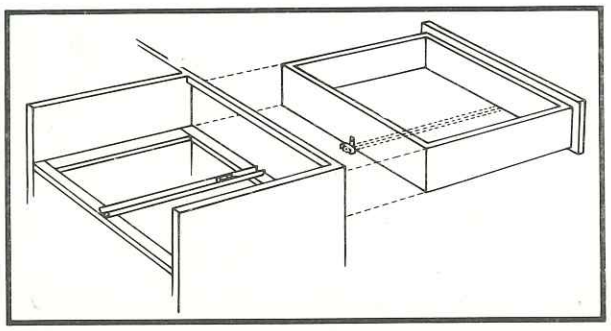


Mirrors are guaranteed best quality plate glass with beveled edge and all wood frame.



Cases are ruggedly constructed with mortise and tenon joints reinforced with moisture resistant Urea Resin Glue.

Broyhill's new "No-Drop Broyglide" construction will prevent sticky unlevel drawers in the future. The drawers will always be level and will not drop when pulled out, permitting at least 75% of the drawer to be pulled out of the case - the more weight in the drawer - smoother is the action. The "No-Drop Broyglide" is longer lasting and trouble free.



Veneer plywood dust proofing under every drawer adds extra strenght and individualizes each drawer compartment.
